Parents and guardians must present a valid photo ID matching the authorized name(s) provided during the Kids Camp & Pre-Teens Program registration process in order to drop off and pick up children from the Kids Camp & Pre-Teens Program. **For the safety and security of all children, participants are not permitted to leave the Kids Camp & Pre-Teens Program areas unless accompanied by an authorized parent or guardian.** To pick up your child from the Kids Camp and/or Pre-Teens Program, please check in with a Kids Camp and/or Pre-Teens Program staff member. Since the event venue is large, parents and guardians are asked to help reinforce this rule with their children at all times.

KABBALAH CENTRE ROSH HASHANAH

9/11/26-9/13/26 IN NYC

The Kabbalah Centre will only assume responsibility for the welfare and safety of children three years of age and older. Children are required to participate in activities with their appropriate age groups. The Kabbalah Centre relies on the truthfulness and accuracy of the information provided by parents/guardians.

So that our staff is adequately prepared to take the very best care of your child(ren), please inform Executive Events of any allergies or mild disabilities (that do not require one-on-one attention) through the Rosh Hashanah Kids Camp & Pre-Teens Program registration process. Any child with an allergy or mild disability will have a note on their registration badge so that all staff will have a visible alert to rely upon. NOTE: any child needing one-on-one attention or medical care cannot be allowed to attend the Kids Camp or Pre-Teens Program, as the staff is not trained to handle such requirements.

MEDICAL RELEASE

By registering your child(ren) for the Kids Camp and/or Pre-Teens Program, you give permission to The Kabbalah Centre International, Inc. and its subsidiaries, employees, volunteers, and contractors to make whatever emergency (i.e. first aid, disaster evacuation) measures are judged necessary for the care and protection of your child(ren) while under supervision of the camp. You assume any financial obligation that may occur.

In cases of medical emergency, you understand that your child(ren) will be transported to the nearest hospital by the local emergency unit for treatment if the local emergency resource (police, rescue squad) deems it necessary. It is understood that in some medical situations the staff will need to contact the local emergency resource before the parent, and/or other adult acting on the parent's behalf.
