

NEW MOON OF CAPRICORN: CONNECT THE DOTS

Instructions for parents

Every month is represented by a sign of the zodiac and a planet - both created by a Hebrew letter. *The Book of Formation* explains that by connecting to the Hebrew letters specific to the month, we can plant seeds of what we'd like to draw into our lives for the coming month. Have your child connect the dots to reveal the letters for the month of Capricorn, then discuss with them the positive character traits they can work on during the month of Capricorn and have them choose and circle the ones they want to have. Remind your child that they can look at these letters every day to remember the quality they wish to tap into.

According to *The Book of Formation*, *Ayin* (א) and *Bet* (ב) are the Hebrew letters controlling this month. The letter *Ayin* created Capricorn, and the letter *Bet* created Saturn.

This month I have an opportunity to be: _____

(parents, give your child options - see below to discuss and then fill in the character trait they want to work on)

Examples include: mature, responsible, practical, hardworking, disciplined, trustworthy, balanced, kind, helpful, sensitive.
